Repeals: Schedule 350 Adopted June 15, 2015 (Res. 890)
Resolution: 906

CENTRAL LINCOLN PEOPLE'S UTILITY DISTRICT

SCHEDULE 405 – INDUSTRIAL SERVICE – GREATER THAN 30 MW WITH A LOAD BEING SERVED BY CENTRAL LINCOLN PUD PRIOR TO OCTOBER 1, 2011

AVAILABLE:

Throughout our service area in Lincoln, Lane, Douglas, and Coos Counties.

APPLICABLE TO:

For commercial and industrial uses having a monthly billing demand in excess of 30MW.

CHARACTER OF SERVICE:

Three-phase, sixty-hertz alternating current 12.47 kilovolts nominal or such higher voltages as Central Lincoln may make available at the point of delivery.

POINT OF DELIVERY:

Service to a single contiguous property will normally be provided at one point of delivery and through one meter. However, at the option of Central Lincoln, service may be provided at more than one point of delivery on contiguous property. Also at the option of Central Lincoln, service may be provided to non-contiguous property at one point of delivery and through one meter.

RATE:

Facilities Charge: \$2,724 per Month, PLUS

Delivery Charge: \$1.96 per Month per Kilowatt (KW) of Billing Demand

Billing Demand is the highest average kilowatts delivered within any hour during the billing month.

BPA Power Charges (Priority Firm Power Tier 1 Equivalent Rates):

PF Equivalent Rates	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep
HLH (\$/ MWH)	36.71	37.41	38.07	38.87	38.50	34.23	33.21	30.95	32.00	36.28	39.15	40.60
LLH (\$/ MWH)	32.60	33.33	33.67	33.88	33.53	30.92	29.89	26.38	25.96	30.43	33.26	34.55
Generation (\$/ KW-Demand month)	10.02	10.27	10.51	10.79	10.66	9.13	8.76	7.95	8.33	9.87	10.90	11.42

Generation Demand is the kilowatts delivered within the hour of Central Lincoln's System Peak less the average of customer's actual hourly loads during the HLH in kilowatts. If the Generation Demand calculation results in a value less than zero, the Generation Demand is deemed to be zero.

BPA Transmission Charges:

NT Base Charge: \$1.735 per Month per Kilowatt (KW) of Transmission Demand, PLUS

Scheduling and Dispatch: \$0.350 per Month per Kilowatt (KW) of Transmission Demand, PLUS

Regulation & Freq. Response: \$0.00012 per total Kilowatt Hour (kWh), PLUS

Oper. Reserves Spinning: \$0.0114 per 3% of total Kilowatt Hours (kWh), PLUS

Oper. Reserve Supplemental: \$0.01045 per 3% of total Kilowatt Hours (kWh)

WECC Rate: \$0.00005 per Kilowatt Hour (kWh)

PEAK Rate: \$0.00005 per Kilowatt Hour (kWh)

***Transmission Demand** is the kilowatts delivered within the hour of BPA's transmission system peak.

BPA Power and Transmission Charges are subject to change due to Cost Recovery Adjustment Clause, Oversupply, or any other changes in the applicable BPA rates.

LOSSES:

Applicable Power Charges and Transmission Charges will be adjusted for losses of 0.848%.

POWER FACTOR CHARGE:

Delivery Charge will be increased by one percent (1%) for each percent the customer's power factor is less than 97% leading or lagging.

Adopted: October 19, 2016
Effective: November 1, 2016
 Cancels: Schedule 405T Adopted November 20, 2013 (Res.873)
Resolution: 911

CENTRAL LINCOLN PEOPLE'S UTILITY DISTRICT
SCHEDULE 500 – STREET LIGHT SERVICE

AVAILABLE:

Throughout our service area in Lincoln, Lane, Douglas, and Coos Counties, to cities and other municipal organizations for dusk to dawn outdoor lighting of highways, streets and parks. A written contract is required for a period of not less than five (5) years.

APPLICABLE TO:

This rate is applicable to street and area lighting from dusk to dawn for either conventional overhead or underground systems.

MONTHLY RATE PER LUMINAIRE:

Not Available After January 1, 1980
(Customer-Owned)

	<u>District-owned, Operated, and Maintained</u>	<u>District-Furnished Electricity Only</u>
Luminaire Only:		
100W Equivalent (ORN)	\$17.41	
100W Equivalent (STD)	16.08	
200W Equivalent (STD)	18.30	\$2.60
Luminaire & Wood Pole:		
100W Equivalent (STD)	19.90	
200W Equivalent (STD)	21.67	
Luminaire & Ornamental Pole:		
100W Equivalent (ORN)	33.52	
100W Equivalent (STD)	42.32	
200W Equivalent (STD)	43.73	

Luminaire-only rates include the luminaire, reasonable amount of conductor, and (if required) a 6, 10, or 16 foot mast arm plus installation labor. All additional equipment, material and labor must be paid for in advance of construction. This rate will apply to luminaires attached to Central Lincoln-owned poles as well as Central Lincoln-approved customer-owned poles.

Luminaire and wood pole rates include the luminaire, up to 150 feet of conductor, mast arm, a thirty-five (35) foot class six (6) pole of standard utility grade, and 3/4" riser with UDA conductor (if required) plus installation labor. All additional equipment, material and labor must be paid in advance of construction. This rate applies in underground areas and overhead areas where the sole use of the pole is for street lighting.

Luminaire and ornamental pole rates include the luminaire, up to 150 feet of conductor, and ornamental pole plus installation labor. All additional equipment, material and labor must be paid for in advance of construction.

This rate applies in underground and overhead areas.

TAX ADJUSTMENT:

Bills may be increased in the communities or areas where taxes or assessments are imposed by any governmental authority. *(Such taxes may be assessed on the basis of meter, or customers, or the price of or revenue from electric energy or service sold, or the power or energy generated, transmitted, purchased for sale, or sold.)* Any such increase will continue in effect only for the duration of such taxes and assessments.

RULES AND REGULATIONS:

Service under this schedule is subject to the District's Rules, Regulations and Practices, on file and available at the offices of Central Lincoln.

Adopted: October 19, 2016
Effective: November 1, 2016
 Cancels: Schedule 500 Adopted June 8, 2016 (Res. 906)
Resolution: 911

CENTRAL LINCOLN PEOPLE'S UTILITY DISTRICT
SCHEDULES 510, 520, 530 – YARD LIGHTING SERVICE

AVAILABLE:

Throughout our service area in Lincoln, Lane, Douglas, and Coos Counties.

APPLICABLE TO:

Residential, farm, commercial, or industrial yard, street, dock, or parking area lighting or other uses not inconsistent with Federal, State or local restrictions.

RATE SCHEDULE 510:

One (1) Sentry Lite "I" complete with lamp, 2-1/2 foot arm and photoelectric control.

If installed on existing pole:	\$16.55 per month
If a pole and span of wire (150' maximum) are required:	\$21.16 per month

RATE SCHEDULE 520:

One (1) Floodlight luminaire complete with lamp, mounting bracket and photoelectric control.

If installed on existing pole:	\$44.02 per month
If a pole and span of wire (150' maximum) are required:	\$48.63 per month

RATE SCHEDULE 530:

One (1) Sentry Lite "II" complete with lamp, 10' arm and photoelectric control.

If installed on existing pole:	\$29.00 per month
If a pole and span of wire (150' maximum) are required:	\$33.62 per month

If a pole owned by Central Lincoln is not available at the desired service location for the fixture, Central Lincoln will install a pole and one span of conductor. Also, Central Lincoln will install a luminaire on customer-owned pole, such as an ornamental pole, and/or customer's conductor, such as an underground service installation, without additional charge to the customer, provided such installation is satisfactory to Central Lincoln from an engineering and/or safety standpoint.

Above rates assume the above-mentioned characteristics of service are available at the service location. If additional equipment is required to provide the required service, the customer will be required to contribute to Central Lincoln, prior to installation, Central Lincoln's installed cost of the additional equipment.

(Continued on next page)

Adopted: June 8, 2016
Effective: July 1, 2016
Cancels: Schedule 510, 520, 530 Adopted June 15, 2015 (Res. 890)
Resolution: 906

CENTRAL LINCOLN PEOPLE'S UTILITY DISTRICT
SCHEDULES 510, 520, 530 – YARD LIGHTING SERVICE

CONDITIONS OF SERVICE:

Upon notification by the customer, Central Lincoln will maintain fixture in operating condition, including replacement of lamps, ballast and relays which fail under normal usage, without cost to the customer, provided such maintenance can be performed by Central Lincoln in line with its established weekly light maintenance program.

If customer desires special maintenance requiring a special trip to the service location, Central Lincoln will bill for the actual cost of making the trip. In such cases, work performed after regular hours and on Saturday, Sunday or holidays will be billed using established overtime labor rates.

The customer will be held responsible for fixtures while on his property and will be required to reimburse Central Lincoln for all maintenance not attributable to normal wear and usage. Customer must allow Central Lincoln free access to his property to maintain and inspect fixtures at all times.

The customer must supply any permits required by cities, counties or other authorized agencies.

TERMS OF PAYMENT:

All bills will be included on, due and payable with, the customer's regular service billing at that location. If customer becomes delinquent in meeting his payments, Central Lincoln reserves the right to suspend service and remove the yard lighting facilities upon 48 hours written notice to the customer.

TAX ADJUSTMENT:

Bills may be increased in the communities or areas where taxes or assessments are imposed by any governmental authority. *(Such taxes may be assessed on the basis of meter, or customers, or the price of or revenue from electric energy or service sold, or the power or energy generated, transmitted, purchased for sale, or sold.)* Any such increase will continue in effect only for the duration of such taxes and assessments.

- (1) Non-broadcasting meters will not be reconnected after business hours.
- (2) On past due balances of \$50 or greater.
- (3) If balance owed is \$2.00 or less, amount is waived. Accounts with a credit balance of \$2.00 or less will be assessed a service fee, equal to the credit balance of the account.
- (4) New and existing customers requesting new service or modifications to an existing service may be required to pay the Customer Engineering Fee prior to meeting with a Customer Engineer. The fee is non-refundable but will be applied towards the Transformer, Service, and Meter Fee.
- (5) Any customer service that requires modification at the customer's request may be charged the Customer Re-engineering Fee.
- (6) Or 2 times the average bill over the last 12 months at that location, whichever is greater.

Adopted: October 19, 2016
Effective: November 1, 2016
 Cancels: Schedule 700 Adopted June 15, 2015 (Res. 890)
Resolution: 911

CENTRAL LINCOLN PEOPLE'S UTILITY DISTRICT

SCHEDULES NM - NET METERING FACILITIES

SCHEDULE NM1 – Residential Service = Rate 100

SCHEDULE NM2 – General Service (Small) = Rate 190

SCHEDULE NM3 – General Service (Large) = Rate 200

SCHEDULE NM4 – Commercial and Industrial Service = Rate 300

AVAILABLE:

Throughout our service area in Lincoln, Lane, Douglas, and Coos Counties.

APPLICABLE TO:

All qualifying facilities with a generating design capacity of 200kw or less.

RATES FOR SALE:

The District will sell energy and demand to any qualifying power producing facility on the same basis as to other customers, in the same class, who do not generate electricity. The Minimum Charge for the rate class will be in effect.

RATE FOR PURCHASE:

Any excess electrical energy generated by the Customer-generator and supplied to the District's distribution system shall be valued based upon the avoided cost of wholesale electric power purchased by the District and calculated each odd numbered year. The current value is 3.90 cents per kwh. Any excess energy generated shall be credited to the Customer's account at this rate in the January billing cycle.

INTERCONNECTION:

The interconnection of a qualifying facility with the District's system will be permitted only under the conditions of service set forth in the District's Net Metering Policy and the terms of a contract between the qualifying Net Metering Facility and the District.

RULES AND REGULATIONS:

Service under this schedule is subject to the District's Rules, Regulations and Practices, on file and available at the offices of Central Lincoln.

Adopted: September 23, 2015

Effective: October 1, 2015

Cancel: Schedule NM1, NM2, NM3, and NM4 Adopted September 11, 2013

Resolution: 896

CENTRAL LINCOLN PEOPLE'S UTILITY DISTRICT

SCHEDULE SPP1 -- SMALL POWER PRODUCERS

AVAILABLE:

Throughout our service area in Lincoln, Lane, Douglas, and Coos Counties.

APPLICABLE TO:

All qualifying facilities with a generating design capacity above 200kw.

RATES FOR SALE:

The District will sell energy and demand to any qualifying power producing facility on the same basis as to other customers, in the same class, who do not generate electricity.

RATE FOR PURCHASE:

Will be arranged by contract between the qualifying facility and the District.

INTERCONNECTION:

The interconnection of a qualifying facility with the District's system will be permitted only under the terms of a contract between the qualifying facility and the District. The contract will include, but not be limited to, the conditions of service set forth in the District's Policy for Cogeneration and Small Power Production Facilities.

RULES AND REGULATIONS:

Service under this schedule is subject to the District's Rules, Regulations and Practices, on file and available at the offices of Central Lincoln.

Adopted: March 21, 2012

Effective: July 1, 2012

Cancels: Schedule SPP1 Adopted September 23, 2009

Resolution: 867
